PRODUCT FEATURES AND BENEFITS

PREMIUM AND COVER INCREASES

Annual increases are based on the Consumer Price Index (CPI). Increases will be on 1 July each year. You need to let us know if you do not want your premiums and cover to increase in any given year.

WAITING PERIODS

For non-accidental deaths and suicide:

Six months from the application date OR the date on which the insured person was added to the Plan. If an insured person dies due to causes other than an accident during the six-month waiting period the Money Back Guarantee applies.

For accidental death:

No waiting period. Cover starts from the application date OR the date on which the insured person was added to the Plan.

MONEY BACK GUARANTEE

If the insured person dies due to causes other than an accident within the first six months, we will pay a benefit equal to all the premiums we have received.

PREMIUM HOLIDAY BENEFIT

The Premium Holiday benefit allows you to miss up to six premiums over the lifetime of your Plan, while the cover remains active. You may pay some or all of the missed premiums to make use of the same number of Premium Holidays again in the future.

RESTART BENEFIT

A Restart benefit allows you to continue your policy from where you left off. If your Plan lapses you can restart your Plan within six months, but you will have to pay all the premiums you missed before it can be restarted. However, in the first three months after your first lapse, you can restart without paying back missed premiums. During the reinstatement period, the benefit is not payable and will only be payable once you restart your policy. If the benefit has not been restarted after six months, the policy will end. You will not have cover and we will not pay any claims
